Once you have completed 6 months of enrollment, you may take two weeks of vacation per year. Must be taken as a full calendar week. Must be requested two weeks in advance. Alternatively, you may take 10 consecutive weeks of vacation during the months of June, July or August (request by 4/30).

For toddlers and infants, parents must provide diapers. For infants, parents provide breast milk, formula and/or food.

If starting as a preschooler, the child must be potty-trained. If moving up from toddler to preschool, the weekly tuition will stay at the toddler rate until the child is potty-trained.
