### September 5, 2017 – June 8, 2018

School year options include half-day preschool (9-11:30a), full-day preschool (9a-3:30p) and extended-day preschool (8a-5p). You may request to come on a non-school day or stay for additional hours on occasion. The cost is \$8/hour or \$55/day and is subject to availability.

Tuition is based on nine equal payments over the school year regardless of the number of school days each month.

Non-school days will follow the ISLA school calendar (not including late starts).

Non-school day care and summer programming will be offered at our Hopkins location and is subject to availability.

All preschoolers must be potty-trained.
